INSIDE THIS ISSUE:

Hudson at LCT 1

Hudson hits the road  
with gifts and prizes!

Once again, Hudson is packing up its trade show booth and hitting the road. This time we will be exhibiting at the Limousine and Chauffeured Transportation LCT Eastern Conference and we would love to see you!

The LCT Eastern Conference

provides a one-stop source for products, services, training and information all geared toward ground transportation industry owners, managers and staff. The show will be held Thursday and Friday, September 11 and 12, at the Mohegan Sun Resort and Casino in Uncasville Connecticut. The location is ideally situated for operators located in the Northeastern US and eastern Canada as it is within driving distance for over 30% of the operators in the US! You can of course fly to New York or New Jersey and then drive a short distance to the resort and casino, if you happen to live outside of driving distance. The world class casino and modern 34 story high-rise hotel are in a wooded area of central Connecticut and sit on the banks of the scenic Thames River.

If you are receiving this issue of TechTips Extra, then you most likely are already a Hudson client. We would love to see and speak with you and we pledge to provide you with VIP treatment! And we are willing to prove this by rewarding you for taking the time to stop by and spend a few minutes with us:

Get a free gift just for stopping by! This year The Hudson Group will be handing out a free gift to all who stop by and leave a business card!

Win a chance at \$\$\$\$! We will have a notebook at our booth and are working to gather testimonials from our current clients. If you are a client, we invite you to stop by and write down some aspect of Hudson's products, services, staff or support, that you like. In return for your time and consideration, we will let you select at random from a supply of lottery tickets, scratch tickets, casino chips, or something comparable.
