Association

The Hudson Group recently became an Affiliate Member of the New England Livery Association, “a non-profit corporation dedicated to promoting quality service and management in the ground transportation industry.” Most members are ground transportation providers in the Northeastern U.S. but there are many members based elsewhere in the US who are key providers of technology and services to the industry. According to Mark Ustik, Hudson President and CEO, “It seemed a natural alliance for Hudson. The NELA is in our own back yard and is comprised of many other industry leaders and visionaries.”

To show its support of the NELA, The Hudson Group is sponsoring a portion of the NELA’s annual Holiday Dinner Meeting to be held in Boston on December 8. Ad-ditional information on the NELA is available online at: <http://www.nelivery.org/>
